

Main menu: (use case – Start a new pub list/Add the name of a town for the new pub list)

The interface features a blue title bar at the top with three colored buttons (cyan, cyan, red) on the right. The main area has a grey background. On the left, a text prompt asks the user to choose a town from a dropdown or enter a new one. Below this is a large white dropdown menu with a vertical scrollbar, showing 'Aberystwyth' and 'Borth'. To the right of the dropdown is a text input field labeled 'Enter town name:'. Below the input field are two buttons: 'Create town' and 'Create town and add pubs'. At the bottom center is a 'Continue' button.

Choose the town you want to edit from the dropdown, or enter a new town name and create it:

Aberystwyth  
Borth

Enter town name:
